

Overview:

The 4 Stall Restroom Trailer delivers four completely autonomous, lockable suites that give guests a sanctuary of clean, temperature-regulated comfort. From high-end weddings to exclusive festivals, DRG® Event Solutions makes sure your event's back-of-house impression is every bit as refined as the main stage.

Features:

- Four private entrance stalls with deadbolt lock
- Occupancy indicator lights above doors
- Porcelain, touch-free foot flush toilets
- Stainless steel disposal units in women's stalls
- Stainless steel sinks with metered faucets
- Hot water heater for sinks
- Bright LED interior lighting, exterior lighting, and step lighting
- Climate controlled with air conditioning and heat
- Premium wood grain vinyl flooring
- Grooved aluminum equal height stairs
- Extended length handrails accessible from ground level
- AM/FM/CD Player with Bluetooth
- Trash disposal chutes inside cabin on wall
